

## News release on the 2021-2022 school uniform

In order to continue to offer you the service during the pandemic, uniform orders will only be made online [www.asdpromo.com](http://www.asdpromo.com), in the section **UNIFORME SCOLAIRE**.

The online ordering platform is simple and easy to use. Size charts for each of the garment, are accessible and have been simplified. Take note that there are junior and adult sizes in the choices. Payments can be made by Interac transfer or credit card.

It is very important to doublecheck your order before completing your payment. We accept exchanges and refunds, as long as the garments have not been worn or washed.

When paying, you will have the choice to have your order shipped to your home or workplace. There will also be the option to deliver to the school on two specific dates. (See below distribution dates) In order to **prevent some inconveniences**, it is preferable to have your order shipped to your home or workplace. This way, you will have your order in advance and if there are any exchanges to be made, you can make them before the start of the school year. We will allow you to make your exchanges during the two distribution dates at the school. But you must follow the Return/Exchange procedure that you will find on the same platform, **Uniforme scolaire**. The procedure must be done, at most, two weeks before the two distribution dates at the school.

A new garment has been added to the collection this year, it is a **short/bermuda**. In order to get it before the school starts, **order it before May 30** and this way you will receive it in the week of **August 16**. **After May 30, it will be too late to order it.**

Regarding **shipping dates at home or at your workplace**, we will proceed in block.

- **Block one, orders made from May 1 to May 30, will be shipped in the week of July 12.** Orders, which will contain **short/bermuda**, will be shipped in the week of **August 16**.
- **Block two, orders made from May 31 to June 20, will be shipped in the week of August 16.**
- **After that, shipping will resume on a regular basis, 5 to 10 business days, following your order. (From September 6)**

Regarding **distribution dates at the school**, we will proceed as follow.

- **On August 25 and 26, from 9 a.m. to 8 p.m.** our team will be installed at the school to give you your order. We will also allow you to make exchanges on the spot on those dates. To do this, we will have a troubleshooting inventory to facilitate the process and help new students acquire their uniform before the start of the school year. We cannot guarantee that we will have enough inventory on site, **which is why you need to order online to guarantee the delivery of your order.**
